

The Spotlight is on Ellie Reubens

1. What's your role at Peabody?

Careers & Well-being Coach

2. What brought you to Peabody?

When I applied originally, it was for the role at CTH as Customer Service officer and I thought I would be good at the role. The more I researched about Peabody to prepare for my interview, the more I seemed to like about the company! In 2019 I transferred over to the ESF team.

3. What are you working on at the moment?

I am currently working on the ESF program, which is a project that's been running to try to reduce unemployment and to try to improve people's well-being. I have been told my role can, at times, be more like a life coach.

4. What's one of your favourite things about this place?

I love the community – the Estate, the people – Other members of the team, the tenants and the clients.

5. Which of the Charlton/Peabody values means the most to you, and why?

Collaboration – working together as a team!

6. What makes you smile?

My cat – she must have over 100 different meows and she does something silly or funny every day that makes me laugh.

7. Tell us about your home.

I live in social housing too and I love my home, it is cosy and a little bit quirky. It's very quiet and the neighbours are nice.

8. Tell us something about you that we might be surprised by.

I used to do stand-up comedy for a brief time! Only small fry though.
